Chinese Medicine emphasizes treating each person as an individual, with a personalized evaluation and treatment. We hope that you are feeling your best, but if you are suffering with sports related injury come in to see us and discover how Chinese Medicine can help you. We treat our patients with a variety of modalities with great results: Tuina (Chinese bodywork), Acupuncture, Chinese Herbal Medicine, Cupping, and Moxibustion.

ICAOM is an accredited acupuncture school and clinic located in Honolulu's Chinatown district. We perform evaluations for all of our patients and apply an individualized diagnosis. Chinese medicine has successfully treated many disorders with great results from 5,000 years of accumulated experience.
