

## East-West Research 2017

### Journal Search Examples:

#### 1. Go to [clinicaltrials.gov](http://clinicaltrials.gov)

In search box type acupuncture insomnia

no quotation marks at this time.

It can be any subject they are interested in place of the word insomnia.

#### 2. Go to [librarieshawaii.org](http://librarieshawaii.org)

Select tab RESEARCH-Licensed Collections-View all

Next frame select Alternative Health Watch

Next frame enter your library card number

Next frame in search box type acupuncture insomnia

scroll down to check full text and scholarly (Peer Review) Journals --Search

#### 3. Go in library to any of the 4 computers. Open Journal Summaries excel sheet

This is a list of all Journals stacked in Library. Go to find & select on Windows or Search on Macs in upper right corner

It will highlight and take you to every line with the word typed in. Scroll screen to left to find 1st column-Journal Name, second column-Vol, no, year--previous column before key words--page number. Write these down and go to stacks to locate journal.

**Reminder: Print Journals are restricted to use in ICAOM Library Only.**
